February 21, 2007

Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, included with the attached Form PTO-1449 is a copy of the Supplementary European Search Report issued November 21, 2006, in the corresponding European application, together with the cited German references. The search report is in English, thereby satisfying the requirement to provide a concise explanation of the relevance of any cited foreign language documents. The U.S. patent identified in the search report is omitted in view of the USPTO waiver of the requirement to file copies of such references in applications filed after June 30, 2003. Under the provisions of 37 C.F.R. §1.97(e), the undersigned hereby certifies that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing of this Statement. The Examiner is courteously requested to initial and return a copy of the accompanying Form PTO-1449 to confirm entry into the record and consideration of the listed items.

Respectfully submitted,

YOUNG & THOMPSON
